POSITIONS OF RESPONSIBILITY

COORDINATOR OF TEAM ZENITH

- As the leader of Team Zenith, I acquired valuable leadership skills by overseeing a group of junior members in the development of the team's activity.
- I effectively coordinated and collaborated with others to ensure the success of various events organized by Team Zenith.

CO-ORDINATOR OF TEAM VATSALYA

- Team Vatsalya is official college club for social activities.

ACHIEVEMENTS

- I won the cricket tournament in ICT (Inter Collegiate Tournament) at zonal level in 2022 - 2023.

PROJECTS

CAR MANAGEMENT WEBSITE

- I have created a Car Management System using ReactJS for the frontend.
- It is developed by using HTML, CSS, Javascript .
- Used the MySQL for the Database.
- In this project we can book car online.

ONLINE QUIZ WEBSITE

- Online Quiz is web application. The key concept is to minimize the amount of paper and convert all the form of documents in digital form.

PORTFOLIO WEBSITE

- Portfolio website created by using HTML, CSS and Javascript.
- It gives the information related to work and some personal information of the user.

COURSES/TRAININGS/INTERNSHIPS

IBASE FRONT END WEB DEVELOPMENT

- I Successfully completed an intensive Front End Web Development internship at IBase Technologies, where I specialized in utilizing the HTML, CSS, Bootstrap, Javascript. Throughout the internship,
- I acquired proficient skills in developing RESTful APIs using SQL, while also gaining practical experience in constructing responsive web applications.
- Notable projects I worked on during this internship include the Car Management System web application.

HOBBIES

- Playing Cricket
- Learning New Skills
- Drawing
